REPORT ON REVIEW OF INTERIM CONDENSED CONSOLIDATED FINANCIAL INFORMATION TO THE BOARD OF DIRECTORS OF NATIONAL INVESTMENTS COMPANY K.S.C.P.

Introduction

We have reviewed the accompanying interim condensed consolidated statement of financial position of National Investments Company K.S.C.P. (the "Parent Company") and its subsidiaries (collectively the "Group") as at 30 June 2023 and the related interim condensed consolidated income statement and interim condensed consolidated statement of comprehensive income for the three month and six month periods then ended, and the interim condensed consolidated statement of changes in equity and interim condensed consolidated statement of cash flows for the six months period then ended. The management of the Parent Company is responsible for the preparation and presentation of this interim condensed consolidated financial information in accordance with the basis of preparation set out in Note 2. Our responsibility is to express a conclusion on this interim condensed consolidated financial information based on our review.

Scope of Review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim condensed consolidated financial information is not prepared, in all material respects, in accordance with the basis of presentation set out in Note 2.

Report on other Legal and Regulatory Requirements

Furthermore, based on our review, the interim condensed consolidated financial information is in agreement with the books of account of the Parent Company. We further report that, to the best of our knowledge and belief, we have not become aware of any violations of the Companies Law No. 1 of 2016, as amended, and its executive regulations, as amended, or of the Parent Company's Memorandum of Incorporation and Articles of Association, as amended, during the six months period ended 30 June 2023 that might have had a material effect on the business of the Parent Company or on its financial position.

We further report that, during the course of our review, to the best of our knowledge and belief we have not become aware of any violations of the provisions of Law No. 32 of 1968, as amended, concerning currency, the Central Bank of Kuwait and the organisation of banking business, and its related regulations, or of the provisions of Law No 7 of 2010 concerning the Capital Markets Authority and its related regulations during the six months period ended 30 June 2023 that might have had a material effect on the business of the Parent Company or on its financial position.

11 SEGMENT INFORMATION

For management purposes the Group is organized into four major business segments. The principal activities and services under these segments are as follows:

- ▶ <u>Investment</u> segment represents trading in equities including investment in associates and other strategic investments;
- Treasury segment represents liquidity management and trading in foreign currencies;
- Real estate segment represents rental operations, buying, selling and investing in real estate; and
- Asset management, advisory and brokerage segment represents managing discretionary and non-discretionary investment portfolio, managing of investment funds, brokerage services, providing advisory services, last mile delivery services, other related financial services and market making

Management monitors the operating segment separately for the purpose of making decisions about the resource allocation and performance assessment. The segment performance is evaluated based on segment result before taxes in the management reporting systems.

14 FAIR VALUE MEASUREMENT

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date in the principal, or in its absence, the most advantageous market to which the Group has access at that date.

Fair value hierarchy

The Group uses the following hierarchy for determining and disclosing the fair values of financial instruments by valuation technique;

- Level 1: quoted (unadjusted) prices in active markets.
- Level 2: other techniques for which all inputs which have a significant effect on the recorded fair value are observable, either directly or indirectly; and
- Level 3: other techniques which use inputs which have a significant effect on the recorded fair value that are not based on observable market data.

The following table shows an analysis of financial instruments recorded at fair value by level of the fair value hierarchy:
